

PRESS RELEASE:

New entry into top management

ITWAY GROUP

Massimo Fanelli

joins Itway S.p.A.

with the role of Vice DDirector General

in order to contribute to the growth path

of the Guided Company

by the President G. Andrea Farina

Ravenna, 28 November 2022 – From 1 December 2022, **Massimo Fanelli will be Deputy General Manager of Itway S.p.A.** and, together with the top management, will support the Company through a path of growth and consolidation in line with the 2022-2027 **Business Plan**, which will see the internal organization, according to the governance model adopted by the Company, in order to comply quickly and in sync with a constantly evolving global market.

Fanelli boasts a curriculum of more than **twenty years of managers and top managers** in the fields of Information Technology and cybersecurity. *«Cybersecurity (and IT services more generally) is a sector that moves quickly and that sees its sphere of influence expand far beyond mere technical evaluation, touching on issues of economic, social and individual value»* explains Massimo Fanelli who continues *«The Itway group already boasts a unique expertise of over 25 years in this sector, confirmed by the numerous international awards: the goal of the coming years is to continue growing, strengthen Itway's presence on the market and offer an increasingly integrated, competitive and qualified set of products and services.»*

«It is with pride and pleasure that we welcome Massimo on board Itway» explains the President G. Andrea Farina who continues «Fanelli knows the Group, having grown as a manager in it, and has gained valuable experience in the last 5 years, starting with undeniable success a Cybersecurity start-up within an important multinational group. For over three years, Itway has adopted the strategy of being a Digital Products oriented Group, sowe are confident that Massimo's creative, organizational and business creation skills will be very useful for Itway's growth"»

Graduated in Economics and Commerce, Massimo Fanelli has held technical, sales, management and project management roles at important Italian and multinational companies.
